

IMPORTANT MEMO

RE: \$19.95 MONTHLY FEE**

ATT: ALL SALES REPRESENTATIVES

THE MONTHLY \$19.95 FEE IS NOT NEGOTIABLE OR OPTIONAL.

NRS charges a monthly \$19.95 fee in order to provide customer support, software license/usage, software updates, and marketing & promotional materials. The \$19.95 monthly fee is delineated in our application and contract.

The monthly fee is assessed starting the month following installation. \$19.95 is due every month, whether the machines are online or not, being used or not.

Merchants should be made aware that if the \$19.95 monthly fee is not paid, their license will lapse and the POS will stop working.

****** Please remind merchants that they can save 20% by paying \$199.95 for a year.
