NATIONAL RETAIL SOLUTIONS

INSTALLATION GUIDE
NRS POS

Before you begin, please make sure that you have the following:

- An active wired internet connection (not WiFi)
- Router/modem with at least one open port
- Ethernet cable (not provided by NRS)

We also *highly* recommend that you connect your device to a battery backup to prevent any equipment damage.

This guide will walk you through the setup of your POS System.

"Meet Paco Puma, the Official NRS Mascot!"

Hardware Included in This Box

(A) Dual-Screen POS Terminal
customer-facing screen attached

(B) Receipt Printer
Includes cable cover & paper roll

(C) Barcode Scanner
works with most 1d and 2d barcodes
