Manage Your Store from Anywhere, 24/7, with the “My NRS Store” Mobile App:

The My NRS Store mobile app lets you manage your POS back-office from anywhere. Check on the vital aspects of your store's POS system from your mobile device.

Put items on promotion, manage system users and track sales wherever you go. You can check your inventory and also re-order supplies via the mobile merchant app.

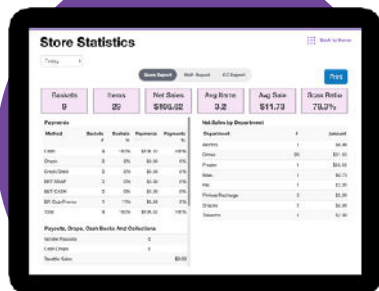

My NRS Store empowers you to manage your store without worry, when you cannot be on the premises at the store, to personally manage your point of sale system and access your data.

My NRS Store App is available on:

Included free!

Data Analytics & Advanced Tools:

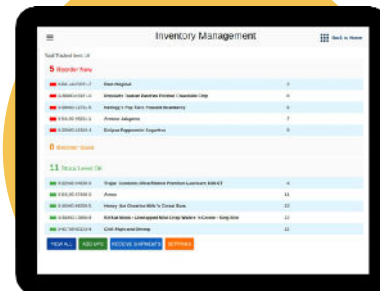

Store Analytics

Track your sales, manage your expenses & see sales reports of your promotional offers. Identify which items are best sellers.

Product Configurations

Configure your products & departments or choose from 100,000's of product UPCs we've preloaded for your convenience.

Inventory Management

Manage your inventory levels and get alerts when you are running low on items. Restock your inventory - Purchase on your POS!

Helping Independent Retailers Succeed

Due to its versatility and reliability, the NRS Point of Sale system is being used in thousands of stores across the USA. The “World’s Greatest POS System” is custom-built for businesses such as:

- Grocery Stores
- Convenience Stores
- Liquor Stores
- Tobacco Stores
- Small Businesses
- Delis
- Supermarkets
- Retail Stores
- Bakeries
- Dollar Stores
- Produce Stands
- Meat Markets
- Beauty Salons
- Gas Stations
- Hardware Stores

Organize your store.
Attract more customers.
Make more money.
