DISCOUNT FOR CASH PAYMENTS

Discount is automatically applied by your POS

When using NRS Pay Cash Discount, merchants who process a large volume of credit cards can benefit from offering a cash discount to customers. With this program, merchants don't have to worry about accepting credit cards.

NRS Pay Cash Discount program is a premium add-on service that is subject to a different fee structure and additional terms and conditions; monthly fee \$49.95 applies; fee waived if process over \$18k/month; merchant must comply with all applicable laws and payment network conditions. NRS POS unit required – separate contract required. Inquire for details.
