

# NRS Panic Alarm Button

The NRS POS helps keep your store safe

**JUST \$9.95**

(\$12.95/mo. without NRS Pay)

## Getting set up is easy

Contact your NRS Sales Agent to get started. Or call **(888) 755-9838**

**Request to turn on the “Panic Alarm Button” features right from the “Manage Features” page:**

Go to the “Manage Features” page on your POS, the Merchant Portal or the My NRS Store app

Go to the “Panic Alarm Button” feature

Press the “Request” button

A Panic Alarm specialist will be in touch with you to set up the feature

## How it works

POS button silently alerts police for help. A “long hold” on the “No Sale” button on your touchscreen also opens the cash drawer.

### IMPORTANT!

**An active internet connection is critical for this feature!**
