

ECOMMERCE 2.0

- NOTE: All of the features listed below are included in our standard Ecommerce license (available with Advanced Plan *or* Ultimate Ecommerce bundle).

NEW Ecommerce 2.0 Features:

(1) Delivery

- We are now offering delivery services!
- *Delivery Partners:* Delivery orders on Ecommerce Websites and the BR Club app will be delivered to customers by our delivery partners (Uber and DoorDash)
- *Delivery Settings:* Merchants can enable delivery for their Ecommerce Website and the BR Club app on the Ecommerce Settings page (see below)
- *Integration:* NRS Ecommerce Websites and the BR Club app are fully integrated with POS pricebook and inventory. Additionally, delivery orders will appear on the POS and notify cashiers.
- **No Fees: There is no fee to our NRS merchants for deliveries!**

(3) Stripe Payment Processing

- We are now processing Ecommerce payments via Stripe, a leading online payment processor
- Working with Stripe enabled us to launch our new delivery service (see below), and provides streamlined online payment acceptance and disbursements to merchants.
