Sell on Your Own Website!

NRS will create an **Ecommerce Website** just for you, featuring all of the products in your POS system.

The website **is integrated directly with your POS**, so if you change anything on your POS, those changes will be reflected on your website as well.

Online Ordering with NRS Ecommerce is Easy!

1

The App & Website feature all of the products you have scanned into your NRS POS, sorted by department.

2

Did you know... The App helps customers find your store with its store locator tool.

3

Customers can order from your store and pick up their order when it's ready, or arrange delivery.
