

How to recharge a US prepaid cell on a POS

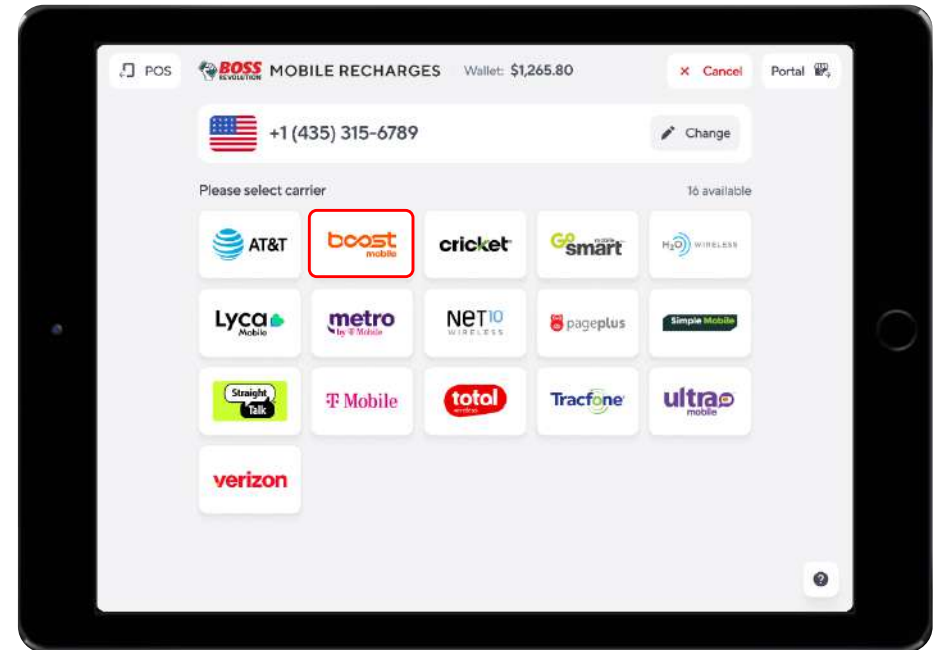

1. In your home screen click on mobile recharges

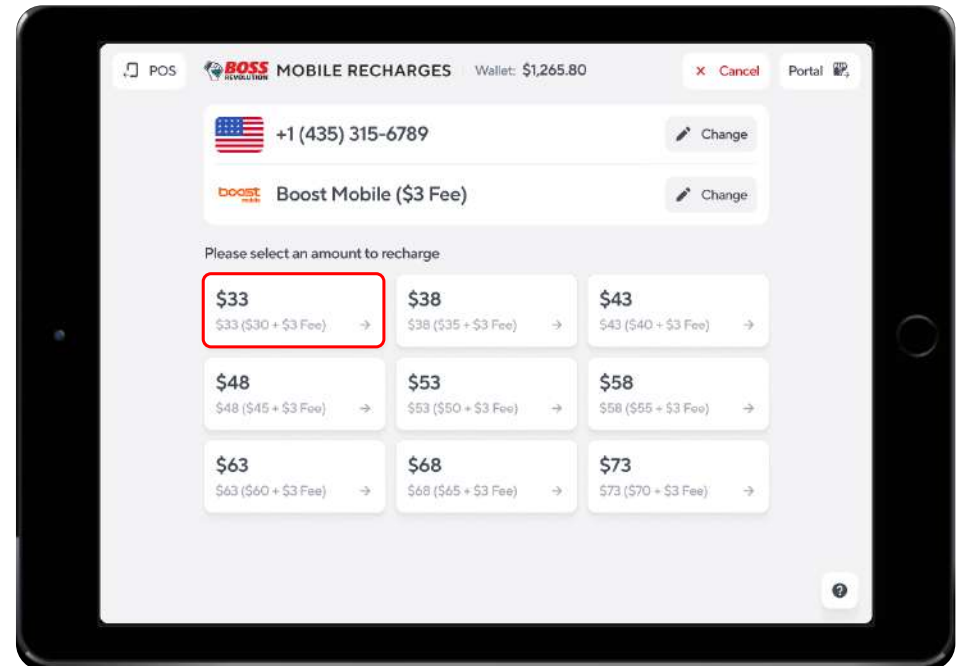

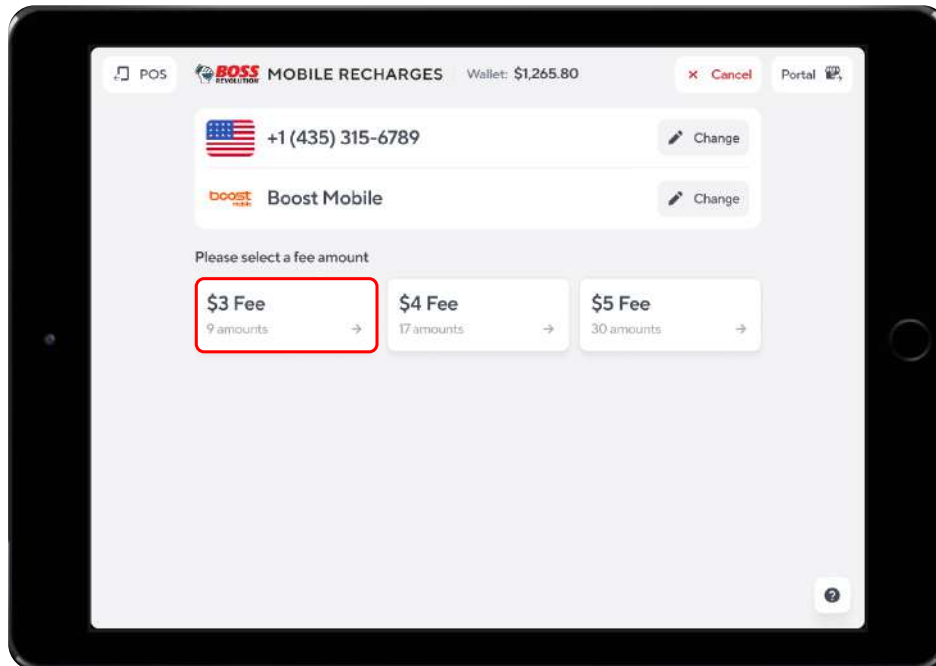

2. Enter the recipient number

3. Select the carrier

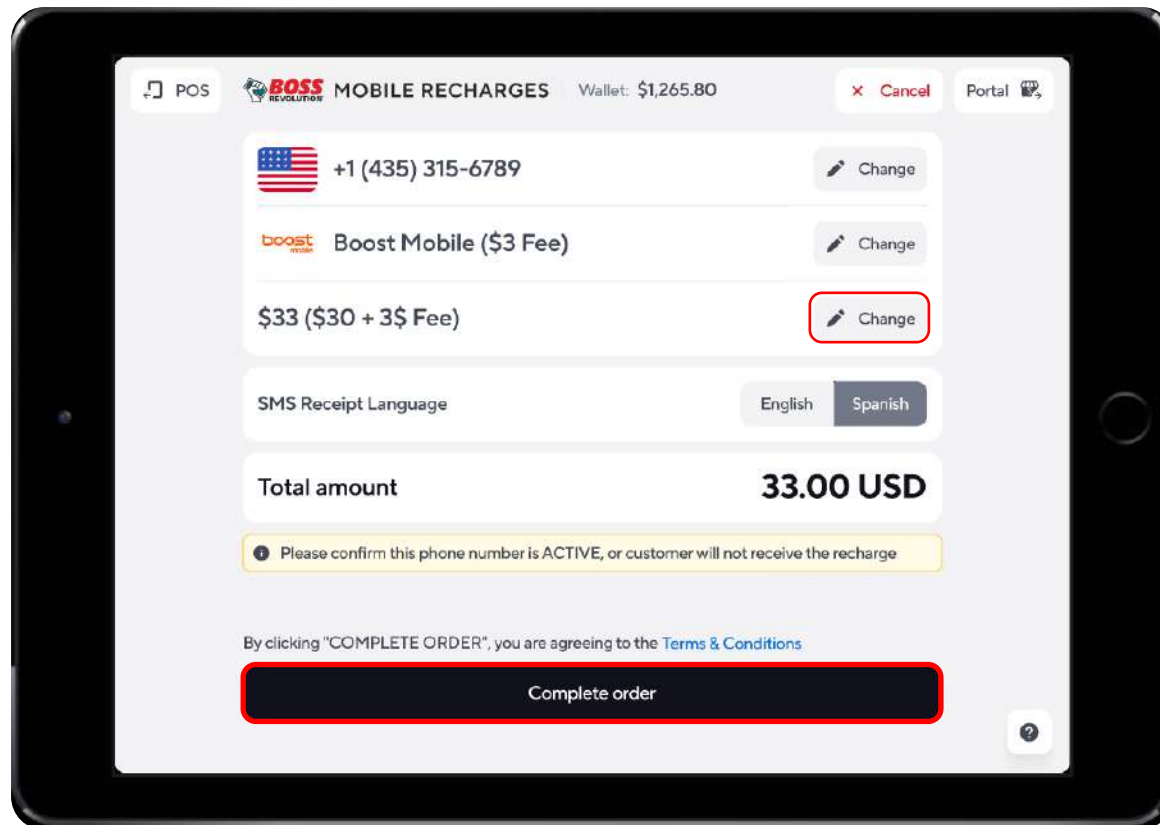

4. Choose the denomination (and fee if it is required)

5. Check the information. Is something wrong?
No worries, you can edit it by clicking on the Change button.

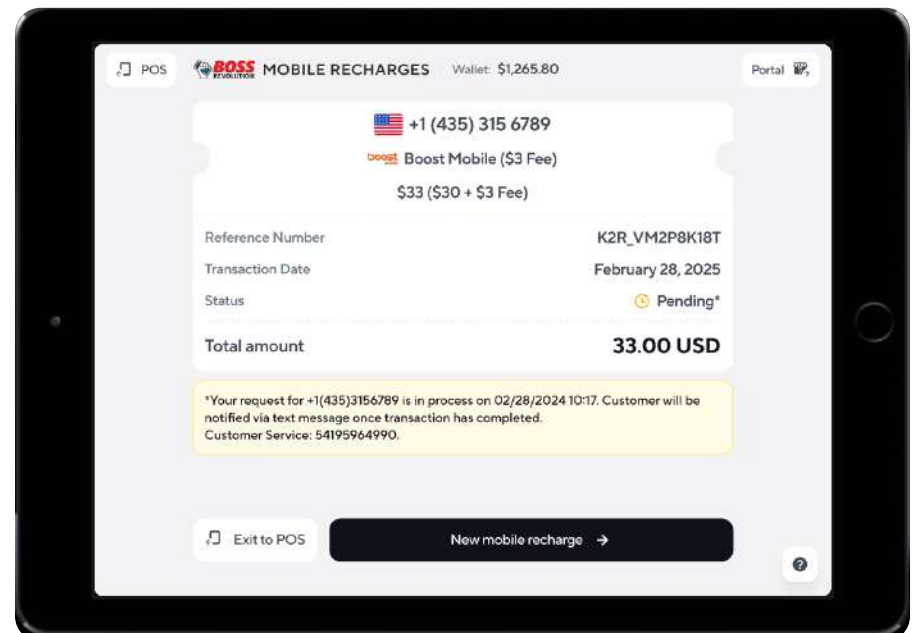

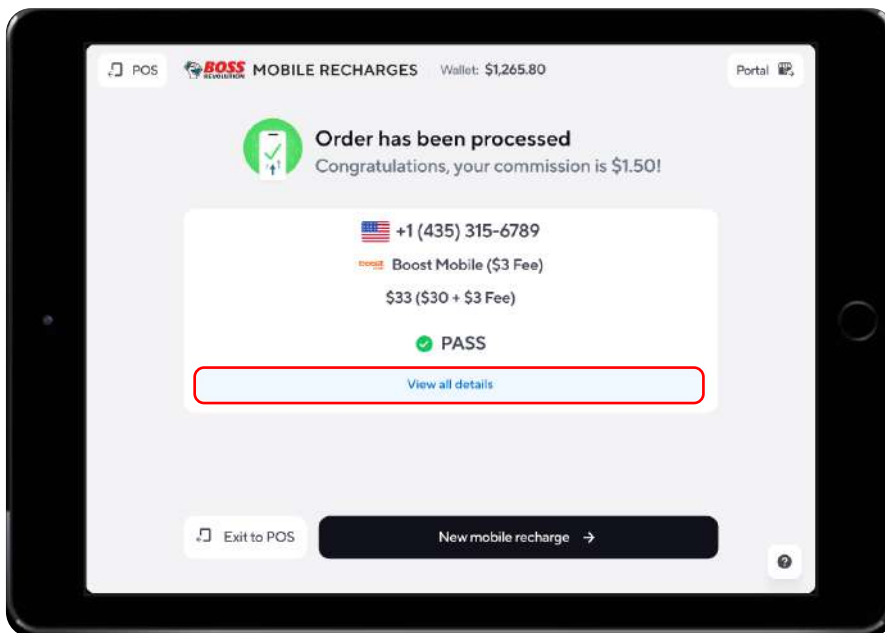

6. Click on Complete order

Congratulations!

You're order has been complete

You can see the status of you transaccion
by clicking on "View all details"

Thanks!
