# SPEED GUN

Setup Guide

1. Turn on the device by holding down the RED button on the right side.

2. Select the operating language

3. Press the yellow start button.

4. Tap Skip at the bottom left of screen.
5. Connect device to Wi-Fi

6. The device will ask you to SIGN IN with your Google Account- Tap **SKIP**

7. When asked again to SKIP ACCOUNT SETUP - Tap **SKIP**

8. Leave all the presets on the Google Services Page & Tap **ACCEPT**

9. If you choose to enter a SCREEN LOCK, do so now. Otherwise, Tap SKIP. PUTTING ON A SCREEN LOCK IS NOT MANDATORY

10. Under ACCELERATED LOCATION, DO NOT check LOCATION CONSENT.
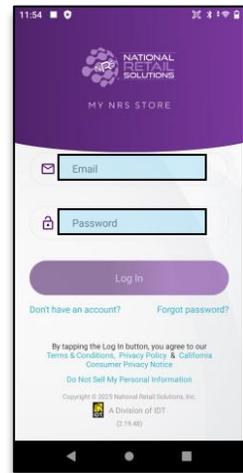

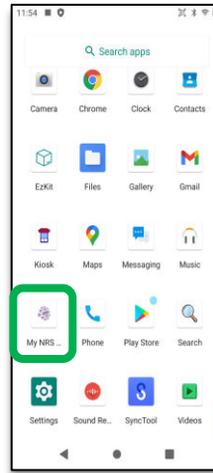

11. Tap NEXT on the bottom right of the page

Now you will be taken to the Home Screen:

1. Swipe up to see a complete list of applications.
2. Find **MY NRS STORE** & Tap on the icon.
3. Login to your **MY NRS STORE** account

4. **NEW UPDATE AVAILABLE** prompt will pop up.
5. Select **UPDATE NOW**
6. Select the **UPDATE** button.

7. Once the application downloads, select **SETTINGS**

8. Toggle **ALLOW FROM THIS SOURCE**
9. Then tap the back arrow in the top left corner
10. Tap **INSTALL** to get the latest version of the **MY NRS STORE** app.
11. Once installed, Tap **OPEN**
