

Panther .57 Public Release Notes

May 2026

Import Pricebook

Allows uploading data from any source and importing it into the **Panther Pricebook**.

Remote Manager Override - Register Only

Authorized managers can now approve restricted actions remotely from their mobile device via the **My NRS Store** app. This eliminates the need for the manager to be physically present, saving time and protecting the privacy of the manager's PIN.

User Feedback System

A widget which allows merchants to provide general feedback on features.
