

Panther .58 Release Notes

June 2026

Cash Discount Report

A Cash Discount report is available on the **Panther POS** reports, providing a clear breakdown of how cash discount (GPI) impacts batched card transactions.

Combine Identical Items Register Settings

Settings can now be adjusted to separate the purchase of multiples of the same item into different lines with separate notes in the **Register** basket.

Specific Feedback

A **Specific Feedback** option is offered in addition to the **General Feedback** popup when using a new feature and after complex or frequently used features.

Store Installation Improvement

The **Store Installation** process has been enhanced with a new modern, user-friendly interface, simplifying the setup experience.
