Installation costs are determined following a site survey and may vary based on site conditions. Dispenser equipment only installed only by an Authorized Bennett Service Provider. Dispensers shown without Bennett payment system and package includes NRS EZPump™.

BUILT FOR INDEPENDENT OPERATORS

BENNETT + NRS PETRO DELIVER A COMPLETE FORECOURT AND RETAIL SOLUTION DESIGNED AROUND THE NEEDS OF INDEPENDENT FUEL RETAILERS.

LOWER COST OF OWNERSHIP

Bennett dispensers are engineered for lower purchase, operating and maintenance costs—with a simple, service-friendly design built for long-term reliability.

ONE SYSTEM. PUMPS + STORE.

NRS Petro connects Bennett dispensers directly to a powerful POS platform—bringing fuel, convenience-store sales, payments, reporting and back-office management together.

TECHNOLOGY WITHOUT THE COMPLEXITY

Get the capabilities today's operators need without an unnecessarily complicated technology stack. Bennett simplifies the dispenser while NRS Petro simplifies the operation.

BUILT TO DRIVE REVENUE

Promote in-store offers at the pump, manage loyalty and tobacco programs, sell online through integrated platforms, and use powerful retail tools designed to turn fuel customers into store customers.

FREEDOM TO OPERATE INDEPENDENTLY

Bennett's flexible approach and NRS Petro's independent-retailer focus give operators a powerful alternative to expensive, restrictive legacy ecosystems.

SERVICEABLE. SUPPORTABLE. BUILT FOR UPTIME.

Bennett's straightforward architecture makes dispensers easier to diagnose and service. NRS Petro provides the integrated technology and support to keep the entire operation moving.
